

Make a life, not just a living.

WISE

PATHWAYS

Women in Sustainable Employment

Explore in-demand careers that offer great wages and benefits!

WISEPathways is a FREE hands-on program offered by Lorain County Community College, in partnership with HHW Ohio that provides women with detailed information about careers in advanced manufacturing that offer good pay & benefits with opportunities for advancement.

The program will be held on LCCC's main campus from January 3-18, 2023. **Women who participate can earn the ToolingU Certified Manufacturing Associate Credential, an industry-recognized certification.**

Learn more about WISE Pathways at an upcoming Information Session hosted by HHW Ohio.
